# WE BUY ANYTHING OF VALUE

Tastes change, and so does the nostalgic connection associated with items handed down from previous generations. Often items collected over a lifetime may not be of significance to anyone else.

Bring these pieces to us for a free, no obligation, verbal appraisal. If you like what you hear, we'll purchase them on the spot.

There is no obligation to sell. At least you will leave with the knowledge of what your items are worth.

## DOING BUSINESS LONG DISTANCE?

### PRICING POLICY:

All prices may be subject to change. We make our very best effort to provide correct, updated pricing on our website, in our catalogs and with our online pricing.

**WE MUST PHYSICALLY SEE YOUR ITEMS TO CONFIRM YOUR CLAIMS.**

If there are any issues where we cannot honor a price due to a mistake or dramatic market changes, we will notify you in advance before processing any order you have with our company. We pay return shipping if necessary.

### PRODUCT CONDITION:

Offers are based on item in good condition with no damage unless otherwise specified.

### ABOUT SHIPPING:

When shipping to us, there are some precautions you should take to ensure your items arrive as planned.

- Package securely to avoid potential breakage or damage.
- Write an accurate description of your item and photograph it for your file.
- Send your package registered & signature required.

### **Affidavit of Ownership**

This form must be completed, signed and included with your shipment. Include a copy of government issued ID.
