& ENTERTAINING

A large brass sleigh pulled by two reindeer, with a glass ornament and a red bird ornament visible in the corner.

A vintage Christmas card with a white background and rounded corners. The central figure is a nutcracker soldier, depicted from the waist up. He has a large, bushy white beard and mustache, and rosy cheeks. His eyes are blue. He wears a tall, black bicorne hat with a yellow braided cord around its base. His uniform is red with yellow epaulettes on his shoulders and a black belt with a large yellow buckle. The word 'NUTCRACKER' is written in white, stylized letters across his chest. In the upper left corner, there is a green pine branch with needle-like leaves. The card is mounted on a dark, textured album page.

A silver snow globe featuring a Santa Claus figure holding a large yellow scroll, surrounded by gifts and a teddy bear. The base is ornate with the words "Merry Christmas".

A snow globe with a white base decorated with holly leaves and berries. Inside the globe, a green Christmas tree stands next to a white snowman wearing a red scarf and holding a wrapped gift. The scene is set in a snowy landscape.

A small, light green glass vase with a ruffled rim and a bulbous body. The vase is made of translucent green glass and has a wide, flared opening with a ruffled edge. The body is rounded and has a slightly textured surface. It is shown against a white background.

WE BUY ANYTHING OF VALUE

Tastes change, and so does the nostalgic connection associated with items handed down from previous generations. Often items collected over a lifetime may not be of significance to anyone else.

Bring these pieces to us for a free, no obligation, verbal appraisal. If you like what you hear, we'll purchase them on the spot.

There is not obligation to sell. At least you will leave with the knowledge of what your items are worth.
